CBP ENGINEERING.COM

185 Plumpton Ave. Washington, PA 15217

www.cbpengineering.com

Contact Person: Andrew Lorenzi y Pablo Espinoza    Email: Espinoza@cbpengineering.com    Phone: 724 229 1180

Product Images:

Description: Manufacturer, measurement and design of anti-wearing solutions using sintered and ceramic materials. For over 60 years, we are a world leader in abrasion-resistant materials. The materials we use are cast basalt, alumina ceramic, AZS or silicon carbides as liners to tubes and pipes, making them to last longer. We are the world leader in the supply and installation of basalt and ceramic lined abrasion resistant products. Our products are tailored made according to the end user specifications and solicitations of the applications. Typical products are internally lined pipes, chutes, troughs, etc. Complex shapes are normally possible to supply. Our mail clients are in
mining, power plants, cement plants, forest industry, waste management, etc. Many of our product installations from the 1970’s are still in use today.

Chromalox
103 Gamma Drive, Pittsburgh, PA 15238
www.chromalox.com

Contact Person: Marisa Lombardo and Paul Raimondi  Email: marisa.lombardo@chromalox.com; Paul.Raimondi@chromalox.com david.taylor@chromalox.com  Phone: 412-967-3800

Product Images:

Description: Chromalox develops advanced thermal technologies for the world’s toughest industrial heating applications. They invented electric heating technology. Chromalox started with an innovative solution 100 years ago when a self-taught engineer invented the first metal-sheathed resistance heating element. It was this then-advanced-thermal-technology that launched an entire industry. Chromalox excels in industries that have high expectations. And they are acknowledged as experts at delivering solutions that exceed specifications, limit risk, and reduce operating costs.

Center Rock Inc.
118 Schrock Dr. P.O. Box 307, Berlin, PA 15530
www.centerrock.com

Contact Person: Tonya Conn & Ed Frank  Email: tconn@centerrock.com; efrank@centerrock.com  Phone: 814-267-7100

Product Image:

Description: Center Rock makes and distributes a complete line of air-drilling tools, services, and accessories. Leading global drilling, oil-and-gas, construction, mining, and foundation contractors trust them for optimum performance, even in the most challenging operating conditions. Center Rock was founded in 1998 by Brandon
Fisher, a former Ingersoll-Rand sales rep for the East Coast. Fisher knew the drilling industry lacked a product provider that could also quickly react to customer on-site needs. In other words, he built them as a servicing manufacturer.

**Cohen Industrial Supply**
